Food Bank Reports

We collected approximately 313,000 pounds of food from our 10 slotted times for food rescue pickups from our local stores including Albertsons, Costco, Trader Joes. All of this is possible due to the generous partnership with the Idaho Foodbank and Feeding America.

Our average size of a once monthly food box is 95 pounds for a family of 4 which includes canned goods, non-perishables, dairy products, frozen meat, prepared meals, vegetables, salad mixes, milk, bread, dessert items and miscellaneous food items.

Additionally, our weekly shopping opportunities net approximately 20 pounds of produce, bread and prepared items for a family of 4.
